Judge: Mr Calin Simu (Romania)

Calin started his career at an early age - he was only 16 when in 1979 he became a member of the Chinologic Association in his hometown, Cluj Napoca. In that period, with passion and success he used to breed Fox and Welsh Terriers under the Wirehill affix.

In 1989 he started breeding Wirehaired Standard Dachshunds, a breed he still owns today, under the Dachjager affix where he has bred and owned many high-quality generations. He is a founding member of the Napoca Association, where he was president for a while, He also contributed to the foundation of the National Terrier and Teckel Club in Romania, where now he is vice president in charge of organizing shows.

Calin got his judging licence in 1997. In recent years he has been known as a journalist contributing to Dog Fancy magazine. Since 2017, Calin is qualified to judge all FCI breeds.
